A Year Gone By

When we arrived here in September
When we opened this school door
When we said "goodbye" to
summer by
Waking, Walking, Coming

As the year wore on and on
As we learned more and more
As some of us got tired by
Working, Writing, Thinking

Soon along came June
Soon the days grew long
Soon we left this school behind by
Closing, Leaving, Gone

Eighth Grade Principal's Award

Jennifer McGuire

The principal's award is presented in June to the eighth grade student who is deemed by the faculty to have been the most outstanding student during the past two years at Agawam Junior High. The faculty bases its decision on the fact that the student is well-liked by both students and staff and has demonstrated the following:

—— good conduct
—— good school spirit
—— good academic record
—— helpfulness and cooperation
—— involvement in school activities
—— contribution to school and community
—— trustworthiness, reliability and promptness
—— respectful attitude toward people and property

This year's award winner is Jennifer McGuire. Jennifer is well-mannered in school and has been on the honor roll every term since fifth grade.

Jennifer demonstrates her school spirit by being involved in many activities at the Junior High. As a seventh grader, she participated in the school geography bee, and received an Outstanding Art Student Award. She has been a library aide, yearbook salesperson, and a member of the Drama Club and Non Users' Club for the past two years. She has Played flute in band for two years, and performed a flute duet in a school concert last year.

Jennifer is a good citizen and has given a great deal to our community. She has participated in 4-H and Girl Scouts and helps out at CCD classes. She volunteers at Heritage Hall and helps to make food baskets for the Junior Women's Club on holidays. She also plays soccer in the Pioneer Valley Soccer League.

In her spare time, Jennifer likes skiing, swimming, reading, sewing and practicing in flute. In addition to caring for her dog, Crystal, Jennifer often volunteers pet-sitting services. She also enjoys baby-sitting.

Jennifer is well-liked by her classmates. her peers in band have acknowledged her leadership ability by electing her to serve as this year's band president. She is a fine president because she always sets an example for others to follow. She is always available to tutor students with their studies. The faculty has recognized her mature behavior and her many contributions to school and community by selecting her from over 300 eighth graders to receive this prestigious award. CONGRATULATIONS JENNIFER!
